What's 4-H?

- A national, non-profit organization for youth 6-21.
- Aimed at assisting personal development, the 4-H program teaches skills in the areas of public speaking, leadership, community involvement and general livestock knowledge.
- As an educational program, projects are a means to an end in youth development, as project work helps to develop skills such as goal setting, record keeping and project management.
- 4-H helps shape member's attitudes, abilities and understanding, to better enable them to work with others. It develops confidence, pride, loyalty and independence. Each skill, opportunity and award is a new experience that challenges young people to do their personal best.
- The goal of the 4-H program is Youth Development, by providing opportunity for knowledge enhancement, leadership skills, citizenship training and personal development.

The Saanich 4-H Lamb Club

BAA RAM EWE!

The Saanich 4-H Lamb Club is a part of the South Malahat District. In the past few years, the club has grown to 20 members. Our club's favorite event must be the PNE where our members show very well and get to meet up with their friends from past 4-H camps. As a club we have attended the PNE, Coombs Fair, Cobble Hill Fair, Saanich Fair, Cowichan Fair, and Saltspring Fair. We have had members go to Provincial Club Week, Rural Urban Connections, Surviving the Challenge, Junior Camp, and even trips across Canada! If you would like to join our club or would just like more information, contact us through the district's website.

www.southmalahat4h.ca

The Saanich 4-H Auction

On Labour Day Monday, you have the opportunity to feed family, friends or customers with some choice cuts of meat, while supporting one of the largest rural youth organizations in existence: 4-H. The South Malahat 4-H Auction includes steers, hogs and lambs raised by the South Malahat District 4-H members. The auction will be held ***September 5TH , 2011 at 2:30 p.m. in the Beef Show Ring.***

The lambs, steers and hogs will be sold by the pound live weight. (e.g.- 1100 lb steer for \$2.00 per lb= \$2200 your cost). Your purchase will be delivered for processing at our cost. The kill charge as set by the processing plant, transportation of the carcass to the butcher and cutting and wrapping of the meat is payable by you, the purchaser. You will get to select your specific cutting instructions to the butcher. The processing plants that the animals will be sent to are all government certified. With your investment in 4-H you will be getting the best of the best in meat quality and pride.

If you are interested in attending the auction or need more information, call Susy Chung- Smith at 250-652-1682. To pre-register go to

Amy
Chesterman -Hampshire/ Suffolk

What is that I hear you say? You're looking for either a new environmentally friendly lawn mower or perhaps a BBQ dinner for you and a group of friends or employees? Well look no further because I have the lamb for you! Hi my name is Amy and this is my 6th year selling in the Saanich 4-H Auction. This year I am selling my lovely Hampshire X Suffolk market lamb named Chesterman. He was born and raised on my family farm and has received top quality grain, hay (and even top quality pasture: thanks mom and dad!) He has lovely leg muscling and an extremely wide and long loin. I know you will not be disappointed! I would like to thank all of my past buyers, everyone who helps out at the fair, my leaders, fellow members and definitely my parents and my brother Nigel. 4-H wouldn't be what it is without all of the support it gets. Thanks everyone

Ben Chocolate- Hampshire

My name is Ben. This is my third year in 4-H raising a fed lamb. My lamb Chocolate is a Hampshire. He has been raised on Buckerfields sheep text and local hay. I would like to thank my buyer from last year, Artisan Painting Plus. Part of the money I receive in the auction will go to paying back my parents costs in raising the lamb, and part will be saved for my future.

Daniel
Ollie – Hampshire

I am selling my lamb Ollie, for auction this year. He was born to the daughter of my prize winning ewe, Misty. He is a long and meaty Hampshire who was born in the Saanich Peninsula. He is perfect for your freezer, and buying him will show your support for local farmers and local food. He is fed premium grain from Integrity Feeds and local hay. This is my ninth year in the lamb Club and I have been working harder than ever with my lamb, steer and the other members. I am also a BC 4-H Ambassador, who works hard to promote 4-H. The money that I make will go towards raising next year's animals and my future education. Thank you to Unseen Acres/ Brett Leland and Dawne Deeley for buying my fed projects last year.

Emily
Max- Hampshire

My name is Emily and I am 10 years old. This is my second year in 4-H. This is my lamb named Max, in honor of my buyer of last year's lamb, Max from Vancouver Island Fleet Repairs. My lamb has been lovingly raised by me at my home and has been fed high quality Top Shelf Feeds, from the Red Barn Market. I invite to bid on my Max and enjoy fresh local lamb.

Gillian

Stanley – North Country Cheviot/Hampshire

Hello my name is Gillian. This is my 7th year in the Saanich 4-H Lamb Club and my 5th year selling in the 4-H Auction at the Saanich Fair. My goal has been to produce a top quality market lamb on my family's sheep farm. I have fed my lamb 16% Top Shelf Sheep Tex and home grown hay and pasture with no pesticides, so this lamb is sure to be top quality. You will love the flavour and nutrition of this 4H market lamb. Thank you for considering my lamb for your family's table; you won't be disappointed. I would like to thank my 2010 buyer, Island Tractor, for generously supporting my project last year.

Hilary Pickles-Hampshire

Do you want a amazing lawn mower, a perfect pet or that great family meal, if you are into eating locally, then he is the one for you! Hi, my name is Hilary and this is my beautiful purebred Hampshire fed lamb Pickles. He has been fed top quality Buckerfield's 15% sheep text and local hay. He has a deep meaty twist and a super long loin. I'd like to thank my previous buyer, Saanichton Christmas Tree Farm. With the money I earn from my lamb I will put it towards paying my parents back for the feed and put the rest towards my future.

Holly

Mocha – Hampshire/Dorset/Texel

Wow, look at that animal! Look at this strong, muscular animal. Come on and make a bid before all the others do. I am Holly, I'm 15 years old and I am entering grade ten. I'm still enjoying 4-H, and all its knowledge and fun camps that go along with it. This is my fed lamb project, Mocha. He was born on March 24, 2011. Mocha's parents were both, lean, muscular animals as well. Mocha is fed pasture and a good hardy amount of sheep text and hay. The money I receive will go towards my education and be saved in the bank. Thank you everyone for their help and support over the year, and thank you to my previous buyer, Aristan Painting Plus.

Luke Oreo- Hampshire

Hello my name is Luke and this is my second year in 4-H and my first year in the lamb club. My market lamb this year is a hampshire named Oreo. He is fed on Buckerfield's sheep grain, grass from my lawn and local hay. He has very good muscling with a long back and a deep loin. One of his other relatives was the winner for the grand champion market lamb class at the Saanich Fair in previous years. If you buy my lamb you can rest easy that the meat you are eating has had a good life and has been well cared for. I plan on using the money that I make to put towards my lamb project next year. Thank you for considering my lamb.

Nigel Buddy-Hampshire/ Suffolk

My name is Nigel and I have been in the 4-H Program for 10 years. This year, I was selected to be a BC 4-H Ambassador representing the Vancouver Island Region. I have been raising sheep for the past 9 years and this year, I am proud to present my fed lamb "Buddy". He is a muscular Hampshire Cross and has been raised on the Saanich Peninsula. He has been fed top quality grain, local hay and fresh pasture on my family farm. Show your support of the 4-H Program and your local farmers by coming out to the 4-H Auction and bidding on Buddy. I would like to thank Biologica for purchasing my last year's lamb.

Sam Dasha-Hampshire

Hello my name is Sam and this is my first year in the Saanich Lamb club. My market lamb this year is a Hampshire ewe named Dasha. Dasha has excellent muscling which will be perfect for your freezer. In addition, you would be eating locally raised meat which contributes to healthy communities and a healthier environment. You would also like to know she has been raised in a humane way and not on a factory farm. Dasha is a ewe so she could be used for breeding instead, if you would like to increase your flock. Dasha is fed local hay and Buckerfied's grain. She was born on February 21, 2011. The money I earn from the 2011 Auction will be used to buy my next year's lamb. I'll see you at the Auction!

Stuart

Hank – North Country Cheviot/Hampshire

Hello, my name is Stuart and this is my 8th year in the Saanich 4-H Lamb Club and my 5th year selling in the 4-H auction. I have enjoyed raising and caring for this market lamb, preparing it just for you. My lamb has been fed 16% Sheep-Tex from Top Shelf Feeds as well as fresh hay from our farm that is free from pesticides. Notice that this lamb has exceptional muscling and will yield lean, prime, meat cuts for your family's table. The proceeds from the sale of my project will go towards future 4-H projects and my education fund. I would like to thank my 2010 buyer, The Red Barn Market, for their very generous support, and to all perspective 2011 buyers.

Last Minute Reminders...

- Please arrive before **2:30** at the beef ring to register. If you can not make it, you can reserve a bid by calling **(250)652-1682** to arrange your bid.
- Your generous purchase may be tax deductible.
- After the 4-H sale, **please stay so your picture can be taken with the animal you have purchased.** You will receive a copy of this picture along with a personal recognition for your contribution from the member.
- As well, a group thank you ad will be sent to local papers, advertising your support of the program and its members.

Thank you to our 2010 Buyers!
